

Please review the following terms and conditions of the Vaccine Ambassador Program.

1. **Eligibility Criteria:** Applicants must meet the specified eligibility criteria, including age, residency, and any other requirements outlined by the program.
2. **Commitment to Training:** Successful applicants commit to completing any required training sessions or courses to become knowledgeable and effective vaccine ambassadors.
3. **Community Engagement:** Ambassadors agree to actively engage with their communities to promote vaccination awareness, answer queries, and address concerns regarding vaccines.
4. **Accurate Information:** Ambassadors pledge to provide accurate and up-to-date information related to vaccines and public health, avoiding the spread of misinformation.
5. **Non-Discrimination:** Ambassadors agree not to discriminate based on race, gender, religion, or any other protected characteristic and to promote inclusivity in vaccine outreach efforts.
6. **Compliance with Laws and Regulations:** Ambassadors must adhere to all local, state, and federal laws and regulations related to vaccine distribution, administration, and communication.
7. **Confidentiality:** Ambassadors commit to maintaining the confidentiality of any sensitive information shared during the program, respecting privacy and data protection laws.
8. **Use of Program Resources:** Ambassadors agree to use program-provided resources responsibly and only for purposes aligned with the goals of the Vaccine Ambassador Program.
9. **Reporting Requirements:** Ambassadors may be required to submit regular reports on their activities, outcomes, and challenges faced during community engagement.
10. **Code of Conduct:** Ambassadors must adhere to a code of conduct that reflects positively on the program, maintaining professionalism and ethical behavior in all interactions.

These terms and conditions aim to ensure that vaccine ambassadors are dedicated, well-informed, and uphold the values of the program while actively contributing to community health initiatives.
